**Re: Program Funding Disbursement Request and Quarterly Reports for the Period beginning January 1, 2018 and ending March 31, 2018**

Dear Mr. Pleites:

This letter is in response to the MCC Disbursement Request and quarterly reports (“*Disbursement Request*”) submitted on December 11, 2017 on behalf of the Government of the Republic of El Salvador (“*Government*”) acting through the Technical and Planning Secretariat of the President (“*Secretariat*”) pursuant to (i) the Compact between the United States of America, acting through the Millennium Challenge Corporation (“*MCC*”), and the Government, acting through the Ministry of Foreign Affairs, executed on September 30, 2014 (“*Compact*”), and (ii) the Program Implementation Agreement dated May 15, 2015 between the Government and MCC (the “*PIA*”). Capitalized terms not defined in this letter have the meanings given to such terms in the Compact or the PIA, as applicable.

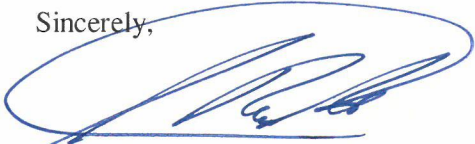

- a. Amount of MCC Disbursement: Pursuant to Section 3.4 of the PIA, the Government has requested the Disbursement of Program Funding up to an amount of \$24,229,165.73 for the period from January 1, 2018 through March 31, 2018 (“*Disbursement Period*”). MCC approves the full amount. These funds will be made available through the Common Payment System during the Disbursement Period.
- b. Approval of Reports. MCC approves the following documents submitted by the Government:
  - (i) Disbursement Request form, submitted on December 11;
  - (ii) Quarterly Financial Report, submitted on December 11;
  - (iii) Detailed Financial Plan, submitted on December 11;
  - (iv) Fiscal Agent Disbursement Certificate, submitted on December 11;
  - (v) Narrative Report, submitted on December 11;
  - (vi) Procurement Performance Report, submitted on December 11;
  - (vii) Procurement Agent Certificate, submitted on December 11;
  - (viii) Indicator Tracking Table submitted on December 11;
  - (ix) Conditions Precedent Report, submitted on December 11; and
  - (x) Government Disbursement Certificate, submitted on December 11.

Conditions Precedent: MCC defers the Regulatory Improvement Activity condition precedent set forth below and in Part B(ii) of Annex II of the PIA until March 31, 2018. The deferral of the condition precedent will allow sufficient time for MCC and the Government to revise the condition precedent language to better reflect the timing, parameters, scope, and obligations related to the comprehensive package of reforms; and continued disbursement under this Activity.

“Prior to the Disbursement of Program Funding for the Regulatory Improvement Activity after December 10 following the first year of the Compact or another date mutually agreed to by MCC and the Government in writing, the Government will have adopted and endorsed pursuant to the Compact the initial recommendations of the Institution and introduced a comprehensive package of reforms, and the continued disbursement of such funding will be contingent upon the Government’s continued consideration and adoption of the Institution’s proposed reforms, as satisfactory to MCC.”

Except as expressly set forth herein, nothing in this letter shall be deemed to modify any of the provisions of the Compact or any related document. Should you have any questions regarding the foregoing, please do not hesitate to contact MCC’s Resident Country Mission in El Salvador.

Sincerely,

Jonathan Brooks  
Acting Deputy Vice President for Europe, Asia, the Pacific, & Latin America  
Department of Compact Operations
